

COMPANY QUALITY POLICY

In our daily business of producing steel, we strive to achieve product requirements and highest standards for our valued customers.

Our quality standard is best described by our slogan:

"PRIME, ON TIME, EVERY TIME"

The company commits to:

- Maintain and improve an effective Quality Management System.
- Demonstrate commitment to the compliance of the Quality Management System and relevant statutory & regulatory requirements.
- Understand and mutually agree on product quality requirements with our customers.
- Ensure that adequate quality planning is carried out prior to product manufacture.
- Ensure that adequate process and quality control is carried out prior to, during and after product manufacture.
- Maintain product and process data systems to make effective business decisions.
- Continually develop staff to ensure competence.

Our goals and objectives are aligned with this policy.
